March 31, 2022

The Honorable Kathy Hochul Governor of the State of New York State Capitol Building Albany, NY 12224

Re: Annual Report of the United Nations Development Corporation

For Fiscal Year 2021

Dear Governor Hochul:

I am pleased to present to you the annual report of the United Nations Development Corporation (the "Corporation") for its fiscal year ended December 31, 2021.

Background

The Corporation is a public benefit corporation organized and existing under the laws of the State of New York (the "State"), including particularly Chapter 345, Laws of New York, 1968, as amended (the "Act"), to undertake coordinated development of office space and other facilities in the area of the United Nations headquarters in The City of New York (the "City") needed for the official international community in the City, including the United Nations (the "U.N."), missions to the U.N. and U.N.-related programs and activities. In addition, the Corporation provides real estate advice and services to the State and City, the United States and the U.N. The Corporation enables the people of the State and City to meet their responsibilities as hosts to the U.N., and to provide suitable facilities for the international community near the U.N. headquarters.

The Corporation is governed by a board of directors (the "Board") consisting of fifteen members who serve without compensation. Eight members are appointed by the Governor of the State, five are appointed by the Mayor of the City (the "Mayor") after consultation with the Secretary-General of the U.N. and the United States Ambassador to the U.N., and two serve *ex officio* by virtue of their offices as Chairman of the New York City Planning Commission and Commissioner of the New York City Department of Housing Preservation and Development. The Mayor designates one of the members appointed by him as Chairman of the Board.

The Chairman of the Board appoints a President and Chief Executive Officer of the Corporation after consultation with the Mayor. The Board at its annual meeting elects the remaining officers of the Corporation in accordance with the Corporation's by-laws. A listing of the Corporation's current Board members and officers is attached.

The Honorable Kathy Hochul Governor of the State of New York March 31, 2022 Page 2

The Corporation has no subsidiaries.

The UNDC Properties

Pursuant to the Act, the Corporation has: (1) developed a 39-story, combined-use office building and hotel located on the northwest corner of First Avenue and 44th Street, which opened in 1975 and is known as One U.N. Plaza (sometimes referred to as the Phase I Property); (2) developed a 40-story, combined-use office building and hotel, located between East 44th and 45th Streets, west of and adjacent to One U.N. Plaza, which opened in 1983 and is known as Two U.N. Plaza (sometimes referred to as the Phase II Property); and (3) developed a 15-story office building, with an adjacent urban plaza, located on the south side of East 44th Street, between First and Second Avenues, across from One and Two U.N. Plaza, which opened in 1987 and is known as Three U.N. Plaza (sometimes referred to as the Phase III Property). Each of these three properties is located directly across First Avenue from U.N. headquarters in the City. The three properties are referred to collectively herein as the "UNDC Properties."

The Corporation transferred its interest in all three UNDC Properties to the City and leased back the same for 99 years under the City Leases, as referred to below.

One U.N. Plaza includes approximately 358,000 square feet of office space located on floors 2 through 26, approximately 5,000 square feet of ground floor retail space, hotel space located on floors 2 and 27 through 39, and separate ground floor office and hotel lobby areas. In 1997, the hotel portion of One U.N. Plaza was sold to a private hotel operator (the "Hotel Operator") and One U.N. Plaza was converted into a condominium.

Two U.N. Plaza includes approximately 388,951 square feet of office space located on floors 2 through 28, hotel space located on floors 29 through 40, separate ground floor office and hotel lobby areas, approximately 11,000 square feet formerly used as a pre-school, and approximately 10,000 square feet of storage space. In 1997, the hotel portion of Two U.N. Plaza was leased to the Hotel Operator under a long-term prepaid net lease.

Three U.N. Plaza includes approximately 205,000 square feet of office space, with an adjacent public plaza of approximately 5,000 square feet.

Operations

The Corporation operates and maintains the non-hotel portions of One and Two U.N. Plaza, and all of Three U.N. Plaza. The Corporation's principal tenants are the U.N. and foreign missions to the U.N. Together they lease and occupy approximately 712,000 square feet, or 99%, of the rentable office space in One and Two U.N. Plaza. The United Nations Children's Fund ("UNICEF") leases and occupies all of the approximately 205,000 square feet of office space in

The Honorable Kathy Hochul Governor of the State of New York March 31, 2022 Page 3

Three U.N. Plaza.

The City Leases

Under a lease with the City for the Phase I Property, the Corporation pays the City base rent for the portion of One U.N. Plaza it operates that is not occupied by the U.N., missions to the U.N., or U.N.-related programs and activities.

Under a lease with the City for the Phase II Property, the Corporation pays the City base rent for the portion of Two U.N. Plaza that is not occupied by the U.N., missions to the U.N., or U.N.-related programs and activities, and not devoted to community facility use. In addition, the Corporation pays additional rent from surplus funds in the manner described in the lease. The land on which Two U.N. Plaza is constructed is owned by a private entity and leased to the Corporation. The Corporation pays the City full real estate taxes on this land.

Under a lease with the City for the Phase III Property, the Corporation pays the City a fixed rental amount with respect to Three U.N. Plaza.

The Corporation's payments to the City with respect to the 2021 fiscal year totaled \$3,256,287, consisting of \$1,663,701 in base rent, and \$1,592,586 in real estate taxes.

Bonds Outstanding

As of December 31, 2021, the Corporation had the following bonds outstanding:

- 1. 2019 Refunding Bonds, Series A (the "2019 Bonds"), in principal amount of \$31,490,000 (issued in aggregate principal amount of \$42,085,000). The proceeds from the 2019 Bonds were used to redeem the Corporation's 2009 Bonds. The 2019 Bonds are collateralized by a pledge of the net revenues from the UNDC Properties, and all funds and accounts held by the trustee under the Corporation's bond indenture. During 2021, the UNDC Properties produced net revenues after payment of operating expenses with coverage of 3.47 times debt service requirements, which significantly exceeded the required coverage of 1.25 times debt service under the bond indenture. The Corporation has reviewed estimated and actual revenues and operating expenses of the UNDC Properties and expects that net revenues from operations of the UNDC Properties will continue to exceed the amounts required for debt service on the 2019 Bonds.
- 2. A 50-year \$287,500 Special Obligation Bond of 1978.
- 3. A 45-year \$1,250,000 Special Obligation Bond of 1980.

The Honorable Kathy Hochul Governor of the State of New York March 31, 2022 Page 4

Financial Report

The Corporation's financial statements for the year ended December 31, 2021 were audited by Mayer Hoffman McCann CPAs and approved by the Board at its annual meeting on March 29, 2022. A copy of the audited financial statements is attached to this report.

Respectfully submitted,

Mut Cle

Robert Cole

Executive Vice President

INDEPENDENT AUDITORS' REPORT

To the Board of Directors of the United Nations Development Corporation

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of United Nations Development Corporation (the "Corporation") as of and for the year ended December 31, 2021, and the related notes to the financial statements, which collectively comprise the Corporation's basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Corporation as of December 31, 2021, and the changes in financial position and cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Corporation and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Corporation's ability to continue as a going concern for one year after the date the financial statements were available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raises substantial doubt about the Corporation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 4 through 7 be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary information on pages 23 and 24 is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Matter

The financial statements of the Corporation as of and for the year ended December 31, 2020 were audited by another auditor whose report dated April 6, 2021 expressed an unmodified opinion on those statements.

New York, NY

Mayer Hoffman Mc Cann CPAs

Management's Discussion and Analysis (Unaudited)

Overview

This Management's Discussion and Analysis provides an overview of the financial performance of the United Nations Development Corporation (the "Corporation") as of and for the fiscal years ended December 31, 2021 and 2020. It provides an introduction to the Corporation's financial statements (including the notes to the financial statements) which follow this section.

The financial statements, which include the statements of net position, the statements of revenues, expenses and changes in net position, the statements of cash flows and the notes to the financial statements, provide information about the Corporation in accordance with accounting principles generally accepted in the United States of America, as prescribed by the Governmental Accounting Standards Board ("GASB"). The financial statements are prepared using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of the related cash flows.

Summary Statements of Net Position

The following summary statements of net position presents the financial position of the Corporation. The net position is the difference between (a) total assets and (b) total liabilities plus deferred inflows of resources. The following is a comparison of the Corporation's assets, liabilities, deferred inflows of resources, and net position at December 31:

Assets:	<u>2021</u>	<u>2020</u>		<u> 2019</u>
Current assets	\$ 68,739,530	\$ 54,488,299	\$	52,240,180

	 ,,	 -, - : -, -> 0	<u> </u>	-,,-,-

Management's Discussion and Analysis (Unaudited)

2021 vs. 2020

At December 31, 2021, the Corporation had total assets of \$182.1 million, an increase of \$7.6 million from \$174.5 million at December 31, 2020.

Current assets at December 31, 2021 were \$68.7 million, an increase of \$14.2 million from \$54.5 million at December 31, 2020. Current assets consist of cash and cash equivalents, accounts receivable, the current portion of the Corporation's net investment in its capital lease with UNICEF, and prepaid expenses and other assets (net). The increase in current assets is attributable to an increase in cash and cash equivalents of \$16.6 million, which was offset by a decrease of \$3.1 million in accounts receivable.

As described in Note 5, the Corporation issued its 2019 Refunding Bonds, Series A ("2019 Bonds") on April 11, 2019, in the principal amount of \$42,085,000. The proceeds of the 2019 Bonds were used to refund the 2009 Refunding Bonds, Series A ("2009 Bonds") on July 1, 2019. The purpose of the 2019 refunding was to reduce the Corporation's debt service obligations.

Restricted assets represent funds held in investment accounts under the Indenture for the 2019 Bonds. Restricted assets were \$52.5 million at December 31, 2021, an increase of \$1.5 million from \$51.0 million at December 31, 2020.

Other noncurrent assets at December 31, 2021 and 2020 were \$17.3 million and \$20.6 million, respectively, representing the Corporation's net investment in its capital lease with UNICEF at Three UN Plaza.

Current liabilities at December 31, 2021 were \$11.2 million, a decrease of \$1.4 million from \$12.6 million at December 31, 2020. The decrease in current liabilities is mainly due to a decrease of \$1.5 million in accounts payable and accrued expenses.

Deferred inflows of resources at December 31, 2021 were \$775,000, a decrease of \$369,000 from 2020, reflecting the current year amortization of the unamortized gain on bond refunding.

2020 vs. 2019

At December 31, 2020, the Corporation had total assets of \$174.5 million, a decrease of \$3.7 million from \$178.2 million at December 31, 2019.

Current assets at December 31, 2020 were \$54.5 million, an increase of \$2.3 million from \$52.2 million at December 31, 2019. The increase in current assets is attributable to an increase in cash and cash equivalents of \$6.0 million, which was offset by a decrease of \$4.5 million in accounts receivable.

Restricted assets were \$51.0 million at December 31, 2020, an increase of \$2.7 million from \$48.3 million at December 31, 2019.

Other noncurrent assets at December 31, 2020 and 2019 were \$20.6 million and \$23.4 million, respectively, representing the Corporation's net investment in its capital lease with UNICEF at Three UN Plaza.

Current liabilities at December 31, 2020 were \$12.6 million, a decrease of \$10.5 million from \$23.1 million at December 31, 2019. The decrease in current liabilities is due to a payment to the City of New York of \$10.7 million in additional rent for 2019 under the Corporation's 1981 lease from the City, as described in Note 6.

Management's Discussion and Analysis (Unaudited)

Deferred inflows of resources at December 31, 2020 were \$1.1 million, a decrease of \$433,000 from 2019, reflecting the current year amortization of the unamortized gain on bond refunding.

Statements of Revenues, Expenses and Changes in Net Position

The following is a summary of the Corporation's revenues, expenses, and change in net position for the years ended December 31:

	<u>2021</u>	<u>2020</u>	<u>2019</u>	2021 vs. 2020 (%)	2020 vs. 2019 (%)
Total operating revenues	\$ 45,710,080	\$ 46,366,785	\$ 48,227,333	-1%	-4%
Total operating expenses	 28,966,202	32,834,960	42,593,237	-12%	-23%
Operating income	 16,743,878	 13,531,825	 5,634,096		
Nonoperating revenues (expenses):					
Interest income	489,689	1,171,993	1,321,357	-58%	-11%
Interest expense	(373,776)	(410,887)	(997,111)	9%	59%
Issuance costs	-	-	(901,473)	-	100%
Unrealized gain (loss) on restricted assets	 (666,567)	 (246,252)	352,587	-171%	-170%
Total nonoperating revenues (expenses)	 (550,654)	514,854	(224,640)	-207%	329%
Change in net position	16,193,224	14,046,679	5,409,456		
Net position, beginning of year	123,959,368	 109,912,689	 104,503,233	13%	5%
Net position, end of year	\$ 140,152,592	\$ 123,959,368	\$ 109,912,689	13%	13%

Operating Revenues. Operating revenues for the years ended December 31, 2021, 2020 and 2019 were \$45.7 million, \$46.4 million and \$48.2 million, respectively. The decreases in operating revenues year over year was due mainly to decreases in operating expenses passed through to tenants as additional rent under leases.

The office space in One and Two UN Plaza is leased principally to the United Nations and foreign missions to the United Nations. UNICEF leases all of Three UN Plaza for use as its world headquarters.

Operating Expenses. Total operating expenses for the years ended December 31, 2021, 2020 and 2019 were \$29.0 million, \$32.8 million and \$42.6 million, respectively. The \$3.8 million decrease in 2021 operating expenses mainly reflects a one-time payment by the Corporation to the Hotel Operator in 2020 in settlement of a repair and maintenance dispute. The \$9.8 million decrease in operating expenses for 2020 was due to a decrease of \$10.7 million in additional city rent payable to the City of New York for 2019.

Nonoperating Revenues (Expenses). Total nonoperating revenues (expenses) for the years ended December 31, 2021, 2020 and 2019 were \$(551,000), \$515,000 and \$(225,000), respectively.

Interest income for the years ended December 31, 2021, 2020 and 2019 was \$490,000, \$1.2 million and \$1.3 million, respectively. These amounts reflect changes in the Corporation's investment account balances and variations in interest rates paid on investments.

Management's Discussion and Analysis (Unaudited)

Net Position. The total net position at December 31, 2021, 2020 and 2019 was \$140.2 million, \$124.0 million and \$109.9 million, respectively.

The Corporation issued the 2019 Bonds on April 11, 2019, at a face amount of \$42,085,000, in order to refund the outstanding 2009 Bonds. The 2019 Bonds were rated Aa3 by Moody's and AA by Fitch.

The 2019 Bonds pay semi-annual interest on January 1 and July 1 at various rates and are subject to mandatory annual redemption of stated principal amounts on July 1. The balance of the 2019 Bonds as of December 31, 2021 was \$31,490,000.

COVID-19 Pandemic

The Corporation continues to monitor business conditions and any actual and potential impacts on its operations and financial position due to the COVID-19 pandemic.

All office tenants at the Corporation's buildings have been paying rent as required under their leases.

To assist the Hotel during the pandemic, the Corporation deferred a portion of the allocated expenses payable by the Hotel Operator for operations at One and Two UN Plaza. The Hotel Operator has been repaying the deferred amounts, as required under its agreement with the Corporation, since October 2021.

United Nations Development Corporation Statements of Net Position

For the years ended

The accompanying notes are an integral part of these financial statements.

Notes to Financial Statements

1. Organization: Properties

United Nations Development Corporation (the "Corporation") is a public benefit corporation created in 1968 under the laws of the State of New York, particularly Chapter 345, Laws of the State of New York, 1968, as amended (the "Act"). The Corporation was created to undertake coordinated development of office space and other facilities within a defined United Nations development district in the vicinity of the United Nations headquarters in The City of New York (the "City"), as needed for the official international community in the City, including the United Nations (the "UN"), missions to the UN and UN-related programs and activities.

The Corporation developed and currently operates the following properties:

One United Nations Plaza

One United Nations Plaza ("One UN Plaza"), which opened in 1975, is a 39-story mixed-use office building and hotel constructed by the Corporation as part of the Phase I project, which also included the buildings at 763 and 765 United Nations Plaza (together, "Phase I"). The buildings at 763 and 765 United Nations Plaza were sold in April 1999 and September 2000, respectively. In 1997, One UN Plaza was separated into a condominium with two units, one unit consisting of the hotel portions of the building, which was sold to the Hotel Operator, and the second unit consisting of the office space, ground floor retail space and other portions of One UN Plaza. The Corporation leases the office space at One UN Plaza to the UN and foreign missions to the UN.

Two United Nations Plaza

Two United Nations Plaza ("Two UN Plaza" or "Phase II"), which opened in 1983, is a 40-story mixed-use office building and hotel constructed and operated by the Corporation. The hotel portion of Two UN Plaza was leased in 1997 to the Hotel Operator under a long-term lease expiring in 2079. The Corporation leases the office space at Two UN Plaza to the UN and foreign missions to the UN.

Three United Nations Plaza

Three United Nations Plaza ("Three UN Plaza" or "Phase III"), which opened in 1987, is a 15-story office building with an adjacent public plaza. The Corporation leases all of Three UN Plaza to UNICEF as its world headquarters. The Corporation and the City have agreed that upon the expiration of the UNICEF lease on July 2, 2026, and subject to certain conditions being met, UNICEF will obtain ownership of Three UN Plaza without payment by UNICEF for the transfer.

2. Significant Accounting Policies

Basis of accounting

The Corporation uses the economic resources measurement focus and the accrual basis of accounting. Revenue is recognized when earned and expenses are recognized when a liability is incurred, regardless of the timing of the related cash flows. The financial statements of the Corporation have been prepared in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP"), as prescribed by the Governmental Accounting Standards Board ("GASB"). GASB is the primary standard-setting body for establishing governmental accounting and financial reporting principles.

Notes to Financial Statements

Cash and cash equivalents

Cash and cash equivalents consist of demand deposits that are either federally insured or collateralized with short-term investments in U.S. Government obligations with an original maturity of three months or less when acquired. All securities held by custodians as collateral are registered and are held in the Corporation's name.

Operating and non-operating revenue

Revenue from leases is recognized as income when such amounts become receivable under the provisions of each lease, except that upfront lease payments received in advance of the period to which they apply are deferred and recognized as income during future periods. Given the nature of the Corporation's operations, revenue from leases and related fees and agreements is considered operating revenue. All other revenues are considered non-operating.

Investment in capital lease

The Corporation's lease with UNICEF at Three UN Plaza qualifies as a capital lease, which is stated at its net investment amount. Net income is recognized over the life of the UNICEF lease, which expires in July 2026.

Property and equipment

Property and equipment are stated at cost less accumulated depreciation and amortization. Expenditures for maintenance and repairs are charged to operations as incurred. Significant renovations that improve and extend the useful life of an asset are capitalized. The Corporation's capitalization threshold is \$5,000.

Depreciation is computed by the straight-line method over the following periods: (i) 50 years for buildings; (ii) 3 to 25 years for building improvements; and (iii) 3 to 10 years for furniture, fixtures and equipment. The land under One UN Plaza is treated as a leasehold interest and its acquisition cost is being amortized over the term of the 1972 Lease (as defined in Note 6).

Bond issuance costs

Bond issuance costs are recognized as expenses in the period incurred.

Net position

The Corporation's net position is classified in the following categories: (a) net investment in capital assets: which consists of project assets, net of accumulated depreciation and deferred costs, reduced by the outstanding balance of debt attributable to the acquisition, construction, or improvement of those assets; (b) restricted: which consists of assets restricted for specific purposes by law or parties external to the Corporation; and (c) unrestricted: which consists of assets that are not classified either as net investment in capital assets, or as restricted. When both restricted and unrestricted resources are available for use, it is the Corporation's policy to use restricted resources first, and then unrestricted resources as they are needed.

Income taxes

No provision for taxes or deferred taxes has been included in these financial statements because the Corporation is exempt from federal and state income taxes as a public benefit corporation of the State of New York and a not-for-profit corporation under Section 501(c)(3) of the Internal Revenue Code.

Notes to Financial Statements

Use of estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates and assumptions.

Recent accounting pronouncements

GASB Statement No. 87, Leases, ("GASB 87") is effective for reporting periods beginning after June 15, 2021. The objective of GASB 87 is to improve accounting and financial reporting for leases by governments. This statement increases the usefulness of governments' financial statements by requiring recognition of certain lease assets and liabilities for leases that previously were classified as operating leases and recognized as inflows of resources or outflows of resources based on the payment provisions of the contract. It establishes a single model for lease accounting based on the foundational principle that leases are financings of the right to use an underlying asset. Under this statement, a lessee is required to recognize a lease liability and an intangible right-of-use lease asset, and a lessor is required to recognize a lease receivable and a deferred inflow of resources, thereby enhancing the relevance and consistency of information about governments' leasing activities. The Corporation has not completed the process of evaluating the impact of GASB 87 on its financial statements.

GASB Statement No. 89, Accounting for Interest Cost Incurred Before the End of a Construction Period ("GASB 89") is effective for reporting periods beginning after December 15, 2020. The objectives of GASB 89 are to enhance the relevance and comparability of information about capital assets and the cost of borrowing for a reporting period and to simplify accounting for interest cost incurred before the end of a construction period. This statement requires that interest cost incurred before the end of a construction period be recognized as an expense in the period in which the cost is incurred for financial statements prepared using the economic resources measurement focus. As a result, interest cost incurred before the end of a construction period will not be included in the historical cost of a capital asset reported in a business-type activity or enterprise fund. This statement also reiterates that in financial statements prepared using the current financial resources measurement focus, interest cost incurred before the end of a construction period should be recognized as an expenditure on a basis consistent with governmental fund accounting principles. The adoption of GASB 89 did not have an impact on the Corporation's financial statements.

GASB Statement No. 91, Conduit Debt Obligations, ("GASB 91") is effective for reporting periods beginning after December 15, 2021. The primary objective of GASB 91 is to provide a single method of reporting conduit debt obligations by issuers and eliminate diversity in practice with commitments extended by issuers, arrangements associated with conduit debt obligations, and related note disclosures. The Corporation has not completed the process of evaluating GASB 91 but does not expect it to have an impact on the Corporation's financial statements.

GASB Statement No. 92, *Omnibus 2020*, ("GASB 92") is generally effective for reporting periods beginning after June 15, 2021. The objective of GASB 92 is to enhance comparability in accounting and financial reporting and to improve the consistency of authoritative literature by addressing practice issues that have been identified during implementation and application of certain GASB Statements. The Corporation has not completed the process of evaluating GASB 92 but does not expect it to have an impact on the Corporation's financial statements.

In March 2020, GASB issued Statement No. 93, Replacement of Interbank Offered Rates, ("GASB 93"). Some governments have entered into agreements in which variable payments made or

Notes to Financial Statements

received depend on an interbank offered rate ("IBOR") – most notably, the London Interbank Offered Rate ("LIBOR"). As a result of global reference rate reform, LIBOR is expected to cease to exist in its current form at the end of 2021, prompting governments to amend or replace financial instruments for the purpose of replacing LIBOR with other reference rates, by either changing the reference rate or adding or changing fallback provisions related to the reference rate.

The objective of GASB 93 is to address those and other accounting and financial reporting implications that result from the replacement of an IBOR. The removal of LIBOR as an appropriate benchmark interest rate is effective for reporting periods ending after December 31, 2022. All other requirements of this Statement are effective for reporting periods beginning after June 15, 2021. The Corporation has not completed the process of evaluating GASB 93's impact on its financial statements.

In March 2020, GASB issued Statement No. 94, *Public-Private and Public-Public Partnerships and Availability Payment Arrangements*, ("GASB 94"). GASB 94 improves financial reporting by addressing issues related to public-private and public-public partnership arrangements ("PPPs"). The requirements for GASB 94 are effective for fiscal years beginning after June 15, 2022, and all reporting periods thereafter. The Corporation has not completed the process of evaluating GASB 94 but does not expect it to have an impact on the Corporation's financial statements.

In May 2020, GASB issued Statement No. 95, *Postponement of the Effective Dates of Certain Authoritative Guidance*. The primary objective of this Statement is to provide temporary relief to governments and other stakeholders in light of the COVID-19 pandemic. That objective is accomplished by postponing the effective dates of certain provisions in Statements and Implementation Guides that first became effective or are scheduled to become effective for periods beginning after June 15, 2018, and later.

In May 2020, GASB issued Statement No. 96, Subscription-Based Information Technology Arrangements, ("GASB 96"). GASB 96 provides guidance on the accounting and financial reporting for subscription-based information technology arrangements ("SBITAs") for government end users (governments). The requirements of GASB 96 are effective for fiscal years beginning after June 15, 2022, and all reporting periods thereafter. The Corporation has not completed the process of evaluating GASB 96 but does not expect it to have an impact on the Corporation's financial statements.

In June 2020, GASB issued Statement No. 97, Certain Component Unit Criteria, and Accounting and Financial Reporting for Internal Revenue Code Section 457 Deferred Compensation Plans, ("GASB 97"). The objectives of GASB 97 are to (1) increase consistency and comparability related to the reporting of fiduciary component units in circumstances in which a potential component unit does not have a governing board and the primary government performs the duties that a governing board typically would perform; (2) mitigate costs associated with the reporting of certain defined contribution pension plans, defined contribution other postemployment benefit (OPEB) plans, and employee benefit plans other than pension plans or OPEB plans (other employee benefit plans) as fiduciary component units in fiduciary fund financial statements; and (3) enhance the relevance, consistency, and comparability of the accounting and financial reporting for Internal Revenue Code (IRC) Section 457 deferred compensation plans (Section 457 plans) that meet the definition of a pension plan and for benefits provided through those plans. The Corporation has not completed the process of evaluating GASB 97 but does not expect it to have an impact on the Corporation's financial statements.

Notes to Financial Statements

In October 2021, GASB issued Statement No. 98, *The Annual Comprehensive Financial Report*, ("GASB 98"). The objective of this Statement is to address references in authoritative literature to the term comprehensive annual financial report. This Statement establishes the term annual comprehensive financial report and its acronym ACFR.

That new term and acronym replace instances of comprehensive annual financial report and its acronym in generally accepted accounting principles for state and local governments. The requirements of this Statement are effective for fiscal years ending after December 15, 2021. The Corporation has determined that GASB 98 will not have an impact on the Corporation's financial statements.

3. Investments and Restricted Assets and Fair Value Measurements

All investments are carried at fair value. Certain accounts are funded by the Corporation as required under the Indenture for the 2019 Bonds (as such terms are defined in Note 5). Such accounts are classified as restricted assets and consist of investments in U.S. Treasury Securities. Accounts funded under the Indenture are held as trust assets in the Corporation's name by The Bank of New York Mellon, as the Corporation's trustee and custodian under the Indenture.

The Corporation's permitted investments under the Indenture include: (i) obligations to which the faith and credit of the U.S. government are pledged; (ii) obligations, the payment of the principal of and interest on which are unconditionally guaranteed by the U.S. government; (iii) direct and general obligations of any state or political subdivision provided that such obligations are rated in either of the two highest rating categories by Moody's Investors Service ("Moody's"); (iv) bonds, debentures, participation certificates or notes issued by entities named in the Indenture (including Federal Home Loan Banks, Fannie Mae, Ginnie Mae or Freddie Mac); (v) Public Housing Bonds, Temporary Notes or Preliminary Loan Notes fully secured by contracts with the United States; (vi) certificates of deposit issued by banks in the State of New York having capital stock and surplus of more than \$50 million and rated at least A by Moody's and another nationally recognized rating agency, or fully secured by direct obligations of or obligations guaranteed by the U.S. government; (vii) repurchase agreements secured by any one or more of the securities described in clauses (i) through (iv) above; (viii) obligations of any corporation organized under the laws of any state in the United States maturing within two-hundred-seventy days, rated by at least two of Moody's, S&P and Fitch as P-1, A-1+ and F-1, respectively; (ix) banker's acceptances maturing within ninety days rated by at least two of Moody's, S&P and Fitch as P-1, A-1+ and F-, respectively; and (x) money market mutual funds invested in obligations issued or guaranteed by the U.S. government or in obligations of agencies or instrumentalities of the U.S. where the payment of principal and interest is guaranteed by the U.S. government.

Notes to Financial Statements

Total restricted assets held by the Corporation at December 31, 2021 and 2020 included in the statements of net position were as follows:

		I		
		Cost	Fair Value	Weighted average maturity (years) (a)
U.S. Treasury securities:		ф. 44.7 00.024	Ф. 44.202.20 <i>(</i>	1.20

_	•	Cost \$ 46,626,929 46,626,929	Fair Value \$ 46,888,848 46,888,848	average maturity (years) (a)

⁽a) Portfolio weighted average effective duration from the purchase date of investments.

Notes to Financial Statements

The Corporation categorizes its fair value measurements within the fair value hierarchy established by U.S. GAAP. The hierarchy is based on the valuation inputs used to measure fair value of the assets. Level 1 inputs are quoted prices in an active market for identical assets; Level 2 inputs are significant other observable inputs; and Level 3 inputs are significant unobservable inputs.

The Corporation had the following recurring fair value measurements as of December 31, 2021 and 2020:

U.S. Treasury securities of \$44,303,386 and \$46,888,848, respectively, are valued using quoted market prices (Level 1 inputs).

4. Property and Equipment

Property and equipment consisted of the following as of December 31:

	Balance at January 1, 2021	Additions 2021	Deletions <u>2021</u>	Balance at December 31, 2021
Land	\$ 3,823,597	\$ -	\$ -	\$ 3,823,597

Long-term obligations, net of current portion	\$	43,519,417	\$	(6,774,734)	\$	36,744,683	\$	(6,794,969)	\$ 29,949,714

2019 Refunding Bonds, Series A

The 2019 Refunding Bonds, Series A ("2019 Bonds") were issued on April 11, 2019 in the principal amount of \$42,085,000 and at a net premium of \$5,946,830. The 2019 Bonds were issued to refund the outstanding 2009 Bonds and to reduce debt service. The 2019 Bonds bear interest at a fixed rate of 5% and have annual maturities from July 1, 2020 through July 2026. The refunding of the 2009 Bonds will reduce total debt service payments by \$17,473,325 and resulted in an economic gain of \$6,382,403, being the difference in the present value of the debt service between the Corporation's 2009 Refunding Bonds, Series A (the "2009 Bonds") and the 2019 Bonds.

The Corporation recognized a deferred inflow of resources of \$1,933,456 as a deferred gain on refunding, representing the difference in the carrying value of the refunded debt and the reacquisition price. This amount is deferred and amortized into interest expense over the shorter of the life of the refunded or refunding debt.

The 2019 Bonds were issued under an Amended and Restated Indenture of Trust dated as of April 11, 2019 (the "2019 Indenture"), between the Corporation and The Bank of New York Mellon, as Trustee. The net proceeds of the 2019 Bonds were used, together with other funds of the Corporation, to redeem the 2009 Bonds on July 1, 2019. Amortization of the bond premium relating to the 2019 Bonds was \$1,089,969 for 2021 and \$1,254,101 for 2020, respectively.

Notes to Financial Statements

Interest on the 2019 Bonds is payable semiannually on January 1 and July 1 at an interest rate of 5.00%. Interest expense is reflected at a constant effective yield (including amortization of premium). The 2019 Bonds are subject to mandatory annual redemption of stated principal amounts from July 2020 through July 2026.

The 2019 Bonds are collateralized by net revenues from Phases I, II and III and amounts in the funds and accounts held by the Trustee.

The Corporation incurred issuance costs of \$901,473 with respect to the 2019 Bonds.

The 2019 Indenture provides that in the event of a payment or other default as described thereunder, the Trustee may, and upon written request of the Bondholders of not less than 25% in aggregate principal amount of the Bonds then Outstanding, with respect to which such event of default has happened, shall proceed, to protect and enforce the rights of the Trustee and, to the full extent that the Holders of the Bonds themselves might do, the rights of the Bondholders under the laws of the State of New York or under the 2019 Indenture, by such suits, actions, or proceedings in equity or at law, either for the specific performance of any covenant or contract contained therein or in aid or execution of any power therein granted or for any proper legal or equitable remedy as the Trustee shall deem most effectual to protect and enforce the rights aforesaid and without limiting the generality of the foregoing, as the Trustee, being advised by counsel, shall deem most effectual to protect and insure the rights of the bondholders.

Bonds of 1980 and Bonds of 1978

The Bonds of 1980 and the Bonds of 1978 are special purpose revenue bonds which require payments of interest only to maturity of \$100,000 and \$23,000 per annum, respectively, until maturity and payment of the principal amount of these bonds in 2025 and 2028, respectively. Debt service on these bonds is senior to that of the 2019 Bonds and was senior to that of the 2009 Bonds.

Maturities of Long-Term Debt

The principal and interest payments on the Corporation's long-term debt are due as follows:

	Principal	Interest		Interest		Total
Year ending December 31,						
2022	\$ 5,705,000	\$	1,697,500	\$ 7,402,500		
2023	5,985,000		1,412,250	7,397,250		
2024	6,280,000		1,113,000	7,393,000		
2025	7,845,000		799,000	8,644,000		
2026	6,925,000		369,250	7,294,250		
2027 to 2028 *	287,500		46,000	 333,500		
	\$ 33,027,500	\$	5,437,000	\$ 38,464,500		

^{*} Represents total amounts for the two-year period.

Notes to Financial Statements

6. Leases

As Lessee:

The City of New York

Under a lease agreement dated August 1, 1972, as amended (the "1972 Lease"), and a lease agreement dated May 8, 1981, as amended (the "1981 Lease" and together with the 1972 Lease, the "City Leases"), the Corporation leases from the City all of Phase I (excluding the hotel portion) and the underlying land, Phase II (but not the underlying land, which is leased under the Phase II Ground Lease referred to below), and Phase III and the underlying land. Rent payable to the City under the City Leases is subordinate to debt service on the 2019 Bonds, was subordinate to debt service on the 2009 Bonds prior to their redemption in July 2019 and was subordinate to debt service on the 2004 Bonds prior to their redemption in November 2009. The City Leases include the following provisions:

- The terms of the City Leases will continue until all bond obligations issued in connection with Phases I, II and III are paid, but not beyond December 18, 2071 for the 1972 Lease and May 7, 2080 for the 1981 Lease.
- The City Leases may be terminated at any time by the City, provided that the City purchases the Corporation's interests under the City Leases for amounts at least sufficient to pay the Corporation's bond obligations with respect to Phases I, II and III.
- The Corporation pays base rent to the City equivalent to full real estate taxes on the portions of One and Two UN Plaza not occupied by the UN, missions to the UN or used as a community facility. The Corporation's base rent on account of Three UN Plaza is fixed at \$481,000 annually. Total base rent under the City Leases was \$1,663,701 and \$1,799,330 for the years ended December 31, 2021 and 2020, respectively.
- Rent is payable to the City only from revenues remaining after payment of operating expenses and other obligations, including debt service, of Phases I, II and III.
- In addition to the amounts described above, the 1981 Lease obligates the Corporation to pay additional rent equal to ninety percent of Consolidated Surplus (as defined in the 1981 Lease); provided that, the minimum amount payable must be the greater of \$85,000 or the Applicable United Nations Rent Surplus, as defined, but in no event more than the Consolidated Surplus for such year. In general, the 1981 Lease defines Consolidated Surplus as revenues from the Corporation's operations during the year, minus the amounts paid, set aside or placed in reserve in connection with the Corporation's operations and to comply with the Corporation's obligations, including debt service and other requirements under the Corporation's financing documents. Under the 1981 Lease, specific approval of the Board of Directors is required to establish reserves not mandated by the Corporation's financing documents and not required to pay other current obligations.
- In March 2022, for the year ended December 31, 2021, the Board of Directors established a reserve from the Corporation's 2021 revenues of \$14,792,981, and in March 2021, for the year ended December 31, 2020, the Board of Directors established a reserve from the Corporation's 2020 revenues of \$12,453,903, each as permitted under the 1981 Lease. The reserves are available to pay costs of future capital improvement projects at One and Two UN Plaza, to fund tenant work relating to office leases and for other corporate purposes. As a result, there was no Consolidated Surplus for the years ended December 31, 2021 and 2020, and no additional rent was payable to the City for those years.

Notes to Financial Statements

Phase II Ground Lease

The Corporation holds a 99-year ground leasehold expiring in 2079 from a private party on the land underlying Phase II. Annual rental payments of \$250,000 are payable by the Corporation through 2025. Annual rental payments after 2025 will be increased based on changes in the Consumer Price Index since February 1, 2014. The Corporation has an option, exercisable at any time between August 1, 2020 and July 31, 2025, to purchase the land underlying Phase II at fair market value on the exercise date, less the principal amount of the Bonds of 1980, as described in Note 5. At December 31, 2021, aggregate future minimum rentals under the ground lease approximated \$14,500,000, assuming the purchase option is not exercised by the Corporation.

As Lessor:

Phase I

The office space in One UN Plaza is leased principally to the UN and missions to the UN, and a portion of the ground floor of the building is leased to a bank tenant (the "One UN Plaza Leases"). The One UN Plaza lease from the Corporation to the UN expires on March 31, 2023. The remaining terms of other leases at One UN Plaza range from approximately three to five years (assuming no exercise of tenant renewal options). Fixed minimum rents under the One UN Plaza Leases, excluding operating expense escalations, will be approximately \$12.5 million in 2022, \$3.3 million in 2023, \$38,000 in 2024, and 2025, respectively, and \$19,000 in 2026.

Phase II

The office space in Two UN Plaza is leased principally to the UN and missions to the UN. The Two UN Plaza lease from the Corporation to the UN expires on March 31, 2023. The remaining terms of other leases at Two UN Plaza range from approximately one to two years and nine months. Fixed minimum rents under the Two UN Plaza leases, excluding operating expense escalations, will be approximately \$12.4 million in 2022, and \$3.0 million in 2023.

The hotel space at Two UN Plaza is leased to the Hotel Operator for a term expiring in 2079, matching the term of the Phase II ground lease. The Hotel Operator is responsible for reimbursement to the Corporation of its allocable portion of building operating expenses, including ground rent.

Phase III

All rentable space in Three UN Plaza is leased to UNICEF under a lease expiring in 2026. Subject to UNICEF meeting certain conditions, including maintaining its world headquarters in the City of New York, the City agreed to transfer title to Three UN Plaza to UNICEF in 2026 upon expiration of the lease term without any additional payment from UNICEF. As part of that agreement, the Corporation would transfer to the City its leasehold interest in Three UN Plaza. The lease with UNICEF is accounted for as a capital lease.

UNICEF's annual base rent (excluding operating expense escalations) in 2021 and for each year through the lease termination date in 2026 will be approximately \$6.7 million.

Notes to Financial Statements

Net investment in capital lease (with UNICEF)

The components of the net investment in the capital lease with UNICEF as of December 31, 2021 and 2020 are as follows:

	December 31,			
	<u>2021</u>		<u>2020</u>	
Total minimum lease payments to be received	\$ 29,353,399	\$	35,876,377	
Less: Unearned income	(8,753,913)		(12,479,161)	
Less: Current portion of net investment in capital lease	(3,316,054)		(2,797,730)	
Total net investment in capital lease (long-term)	\$ 17,283,432	\$	20,599,486	

7. Retirement Plans

The Corporation has a Simplified Employee Pension retirement plan ("SEP") covering employees of age 21 or over with one year or more of service, with all contributions thereunder being immediately vested. The Corporation's contributions are made directly to employee SEP accounts in amounts ranging from 12% to approximately 14% of base compensation. Contributions to the SEP plan were \$167,425 and \$165,098 for the years ended December 31, 2021 and 2020, respectively.

The Corporation also funds a deferred compensation plan for employees under Section 457(b) of the Internal Revenue Code. Contributions to the 457(b) Plan were \$100,916 and \$94,659 for the years ended December 31, 2021 and 2020, respectively.

United Nations Development Corporation Supplemental Schedule of Phases I, II and III Net Revenues in Excess of Debt Service Requirements

For the year ended December 31, 2021

	Phase I	Phase II	Phase III	<u>Total</u>
1	43,092 \$ 25,822) \$ 12,517,270 _	18,160,921 (5,955,400) \$ 12,205,521	\$ 7,690,431 (4,324,440) \$ 3,365,991	\$ 44,194,444 (16,105,662) \$ 28,088,782
Fee Income-Tenant Alteration Work			128,400	128,400

Net Revenues in Excess of Debt Service Requirements	\$ 8,839,072	\$ 6,549,618	\$ 904,291	\$ 16,292,981

See Independent Auditors' Report and Notes to Supplemental Schedule.

Notes to Supplemental Schedule

A. Other Income:

Phase II other income represents payment from the Hotel Operator of its proportionate share of ground rent, real estate taxes and rent to the City of New York.

B. Net Revenues:

Net revenues include interest income and all Phase I, II and III operating revenues and expenses, except for depreciation, amortization and interest expense on the 2019 Bonds.

C. Base Rent to The City of New York:

Payments of base rent to The City of New York are subordinate to the Phase I, II and III debt service requirements and are allocated among Phase I, Phase II and Phase III in accordance with the provision of the City Leases.

D. Debt Service Requirements:

Debt service requirements include interest and principal payments on the 2019 Bonds.
