**Agency:** United Nations Development Corporation  
**Date of Event:** 05/21/2024  
**Time of Event:** 3pm - 5pm  
**Location:** Two United Nations Plaza, New York, NY

Turner Construction Company has been awarded the CM Services contract for the United Nations Development Corporation (UNDC) project for renovations and base building upgrades at One and Two United Nations Plaza. The diversity goals for this project are 18% for minority-owned business enterprises (MBEs), 12% for women-owned business enterprises (WBEs), and 6% for service-disabled veteran-owned businesses (SDVOBs).

Turner is hosting an in-person outreach event on Tuesday, May 21st, 2024, from 3 PM – 5 PM at the project site. If your firm is New York State-certified with one or more NAICS and/or NIGP codes relevant to the scopes of work listed below, we encourage you to attend this event to meet the Turner procurement team and other prime contractors that are currently developing MWBE/SDVOB participation plans.
